

Whose Your Tailor?
REGISTERED U. S. PAT. OFF. 1908 BY ED. V. PRICE & CO.

Surpassing Excellence ...IN... Clothes Designing

WOULD'N'T you enjoy wearing a new suit of clothes, knowing it was designed, cut and tailored from your actual measurements and proportions, giving you that correctness and "fit-as-a-fiddle" feeling seldom secured otherwise? And, too, we've borne in mind your commendable desire to make your money serve most efficiently. We guarantee fully the woollens and trimmings, the hand-tailoring which gives you this well-shopped, active-looking suit of clothes from our Chicago tailors.

E. V. PRICE & CO.

Never before have the advantages of better tailoring been more apparent in these times. Have your clothes designed for action, built to give full freedom to active muscles and alert minds. Choose your woollens to suit your purse and personality. It costs no more to have your clothes tailored expressly for you. Call and be measured today. Our new Fall sample book is here.

SUNDAY

Opening of Ste. Genevieve Public Schools.

The Ste. Genevieve Public Schools will begin Tuesday, September, the second. Most of the first days' work will consist of enrollment and assigning of lessons.

The High School offers the regular and Teacher-Training courses as it did last year. Competent teachers have been selected for all departments. We were again tempted to offer the Teacher-Training course for it was a success last year. The graduates from this course received the two year State Teachers' Certificate and are now employed to teach.

Let us see if this additional course is valuable or not. To get the same training and certificate, away from home, would have cost each of the six graduates at least \$250.00 a year, or a total of \$1,500.00 for all. This money remained at home. Together the six teachers get a salary of \$2,776. They will bring most of this back with them. Seven hundred and fifty of the eight hundred and ten dollars spent for this course were paid by the State, which the district would not have gotten without the course.

Pupils are admitted to the Teacher-Training course in the junior and senior year, or may pursue the regular course. Those having a certificate of graduation from the County Superintendent are admitted without examination to the freshmen class. All that wish to enter the grades or high school should be here the first day of school, if possible.

The High School is so arranged that a pupil of average ability, that has a good knowledge of all work of the grades, can complete it in four years.

The Board of Education has just completed rules and regulations for the government of the school. Every family sending children to school is entitled to receive a copy, and it is hoped that they will find something interesting and helpful in it. If they will read it carefully, they will better understand what the school is trying to do and better able to co-operate with it in doing the greatest good possible for their children. If parents will consult freely with teachers and members of the board about the education of their children, they will find that more can be done for them.

Impress upon the children the fact that attending school is the most important business in which they can engage. Insist upon definite home study, politeness and good conduct to, from and at school. Your children can get as much good from school as any one, and all teachers will gladly co-operate with you in getting him the great good that comes with industry and intelligence.

Non-resident pupils must pay one dollar tuition monthly in the grades and two dollars in the high school.

For particulars or any other information, call on the undersigned.

Respectfully,
C. M. DANUSER,
Superintendent.

Andrew Carnegie, world's second richest man, died at his Lenox, Mass., summer home, "Shadow Brooks," Monday morning, August 11, 1919, after an illness of less than three days with bronchial pneumonia, at the age of 82 years.

An unknown thief visited the pens of a local stock buyer in Perryville last Saturday night and drove away the entire contents of the pen which consisted of 40 porkers valued at \$600. The herd was located in the main part of the city. All efforts towards apprehending the thief or tracing his booty have proven futile.

Died

John M. Conner of Roots, Ill., died at St. John's Hospital in St. Louis on Sunday, August 3, 1919, aged 60 years. Mr. Conner was troubled with gall stones which was the cause of his death. His remains were brought to his home at Roots and were laid to rest in the Will's Cemetery Tuesday afternoon. The deceased was well known in this vicinity.

Entered into rest in St. Louis on Friday, August 8, 1919, at 4 p. m., Lena Schumaker (nee Boyer) dearly beloved mother of John and Louis Schumaker and dear sister of August L. and Leo A. Boyer, in her 29th year. The funeral was held from Provost-Drehmann chapel, 4710 North Grand avenue Monday, August 11, at 10 a. m. to Calvary Cemetery.

The election of officers at State Hospital No. 4 this week resulted in the re-election of Dr. T. F. Frazer of Commerce, and Dr. Prentiss S. Tate of Morley, assistant physicians; Norman E. Bugg of Potosi, Steward, Margaret L. Gray of New Madrid, Matron, and J. H. Jones of Farmington, Treasurer. The high efficiency of the Hospital staff guarantees the continued success that has marked the present administration. Patients are kindly treated under all conditions, and are especially well fed. The new training school for nurses has been most beneficial, and has resulted in every kindness, courtesy and consideration being shown the patients. Dr. J. L. Eaton, Superintendent, and the officers first elected, are all for the first time in the history of the institution, native Southeast Missourians.

The building of hard-surface roads in Ste. Genevieve county will attract new residents, stimulate agriculture and industrial development and increase the value of all property in the county. Is not this enough to more than repay us all for the insignificant road tax we must pay for the new roads? Vote for the bonds.
